

Student Placement Form 2017/2018

Dear Parents or Guardians:

Our staff will be considering student placement recommendations for next fall during the month of May. Your involvement can be an important step in this process, and we encourage your participation. It is important to realize that final placement decisions are ultimately the responsibility of the School Principal. The highest priority will be given to meeting the academic needs of the child as identified by his/her teacher. There are many other factors that can influence our final placement decisions. These factors include: consideration for the social needs of the child, class size, the need to maintain a balanced group, the date of registration, and parental information provided on the Placement Information Form.

Please remember that we are not seeking specific requests for your child's teacher next year, but we will appreciate any information that you are willing to share with us concerning your child's educational needs. **Information will not be considered if a specific teacher's name is listed.** Please return this form to the front office by May 12, 2017.
